

South Korea

1st February – 8th February 2017

This short trip was undertaken with Barry Reed and Mick Ilett. We self-drove and used Nial Moores of [Birds Korea](#) as a guide for the first four days and then birded on our own for the second half of the trip.

Itinerary

<https://1drv.ms/u/s!AkwcnmA0OCSljssRTy6HtU5v0QqumA>

Weather

Quite a fluctuation in temperatures during our short time, from 8C down to -10C. Mostly dry.
